Reason For Travel

Clearance Level

By signing this document I acknowledge that I must report any of the following within 5 days of return to the IPO. If applicable IPO will contact appropriate agency.

1. Unplanned contacts with foreign governments, companies, or citizens during foreign travel and reason for contact.

2. Unusual or suspicious occurrences during travel, including those of possible security or counterintelligence significance.

3. Any foreign legal or customs incidents encountered.

4. Any deviations from my reported itinerary

Member

Supervisor or CC

Note: Supervisor or Commander signature ONLY required for Caution Levels 2 and 3. Level 1 doesn't require reporting to the IPO or approval. Level 4 not authorized for travel.

Those with SCI or SAP access must report foreign travel to their SSR/SSO or SAP PM. **Don't have to report to the IPO for collateral side requirement.**

Reminder: All unofficial foreign travel must be recorded and tracked by all individuals and disclosed on their SF-86 during initial and periodic investigations.
